Other information	As part of the English Curriculum, we are planning a special screening of the film Wonder (PG). This movie, based on the bestselling novel by R.J. Palacio, tells the inspiring story of August Pullman, a young boy with a facial difference, as he navigates school life and builds meaningful connections with others. The film aligns closely with our school's values and curriculum themes of inclusion, respect, and resilience. We believe it offers a valuable opportunity for students to engage in thoughtful discussions about diversity, acceptance, and the importance of kindness.
