1. Policy Statement

Wiley Park Public School aims to provide a safe, caring and welcoming learning place where all students and staff are treated with respect. Staff, students and parents share responsibility to ensure active support of the School Uniform Policy.

2. Benefits of School Uniforms

(as outlined in *School Uniforms in NSW Government Schools 2004*)

It has been found that the wearing of school uniform brings with it many benefits such as:

- defining an identity for the school within the local community;
- developing students' sense of belonging to the school community;
- providing an opportunity to build school spirit;
- enhancing the health and safety of students when involved in school activities;
- promoting a sense of inclusiveness, non-discrimination and equal opportunity;
- reinforcing the perception of the school as an ordered and safe environment;
- increasing the personal safety of students and staff by allowing easier recognition of visitors and potential intruders in the school;
- promoting positive community perceptions of public education; and
- making school clothing more affordable for families by eliminating the risk of peer pressure to wear transiently fashionable and expensive clothes.

3. Our Beliefs

The wearing of school uniforms by students will assist the Wiley Park Public School community in:

- promoting the school's image within the community;
- enhancing school spirit;
- encouraging unity and equality between students;
- increasing student confidence;
- cost-saving for parents; and
- preparing students for dress and safety codes required by employers.

4. Collaboration and Consultation

At Wiley Park Public School, the uniform has been designed in partnership with the P&C, staff and students. It is our intention that the uniform reflects the needs of students, their families and the school.

5. Uniform Requirements
