

# **MESSAGE FROM THE PRINCIPAL**

Welcome back to school and a big welcome to any new families.

We have had a very positive and productive start to the new school year.

All students are in their 2025 classes.

This week we held Meet The Teacher meetings for parents and carers. It was wonderful to see so many of you there.

School photos will take place on Wednesday 5 March.

Most of our students are arriving on time for school and pick up has been satisfactory.

Unfortunately, some parents and carers are late picking their child/children up.

Pick up is at 3pm our gates open at 2.50pm, please make sure you are on time.

If you are unable to be at the school by 3pm please make arrangements for another adult to pick up your child and advise our front office in advance so we can notify the teacher of the changed pickup arrangement.

24 March - NAPLAN finishes

Each year the National Assessment Program – Literacy and Numeracy (NAPLAN) is sat by students in Years 3, 5, 7 and 9. Students will participate in tests for writing, reading, conventions of language (spelling, grammar and punctuation) and numeracy.

NAPLAN 2025 will take place from Wednesday 12 March to Monday 24 March.

NAPLAN is just one part of our school's learning assessment program. The tests assess literacy and numeracy skills your child is already learning at school, so the best preparation is their everyday classroom learning. Our school will also undertake activities to help students become familiar with the types of questions and tools available in the online tests.

The public demonstration site (https://www.nap.edu.au/online-assessment/public-demonstration-site) is available for you to see the format of the online tests.

Further information about NAPLAN is available on the NESA website (https://www.nsw.gov.au/education-and-training/nesa/naplan) and the NAP website (https://www.nap.edu.au/naplan/for-parents-carers).

### **ELECTIONS**

The executive committee is the leadership team that steers the association and sub committees towards their goals. It consists of the President, Vice President, Secretary, Treasurer and up to 6 elected Association members.

NOMINATION FORMS CAN BE PICKED UP FROM THE OFFICE OR DOWNLOADED FROM OUR WEBSITE. All nomination forms need to be handed in to the office by Friday 7 March with a gold coin

#### Below is a list of roles to be nominated on and their role description :

- President The President has the responsibility to ensure the successful functioning of the association. This includes achieving its goals, encouraging fair participation of all members and adherence to the constitution. They must run (Chair) all meetings and may represent the association at official functions and act as the association spokesperson.
- Vice President The Vice President assists the President to lead and support the committee. If the President is unable to perform any of their duties, the Vice President will be asked to stand in their place.
- Secretary The Secretary is the administrative officer of the association. They are required to attend all meetings, write the meeting agenda (in consultation with the President) and take notes during the meeting to produce the minutes of the meeting. It is the secretary's responsibility to keep records of correspondence and other information.
- Treasurer The Treasurer is responsible for sound financial management of the association. The treasurer keeps records of all monies in and out and must present a formal financial statement at every meeting.
- Other Positions Often other committees such as fundraising committees are formed. Members of these committees are responsible for conducting the set objectives of that committee. Once the set objectives are reached that committee may no longer be required. Extra support may also be required from time to time to assist with special events.

# HOW TO USE SCHOOL BYTES

### The school uses School Bytes to accept payments for things such as an excursion and in school visits.

Download the School Bytes app from your app store.

#### Press on Create an account.

An email will be sent to the email address nominated so that you can verify your access.

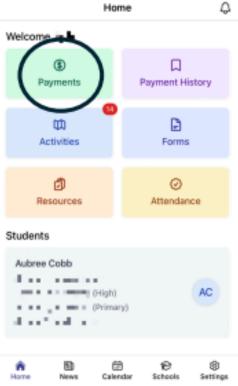

IMPORTANT: To ensure that the registration process works smoothly, and you can link your account to your child/ren, make sure that you use the same email address that you have provided to the school.

Once account is created you will need to go into the app to login. Once logged in it should ask for your child/ren's name, school, grade & date of birth.

Once your child/ren is found you can make payments through the app, by going into **Payments**. This will then take you to everything that is owing for child/ren.

Please note: Transactions made through the online payment portal will appear on your bank statement as **OSCHOOLSONLINE 0000 PARRAMATTA AU.** 

Example of School Bytes App home screen.

Once an account has been set up, you are able to access the app and pay any owing money through it.

Please Note: Any excursion notes will still need to be signed and returned to school.

### NEWS FROM THE MUSIC ROOM $\rightarrow$ $\rightarrow$ $\rightarrow$

We have vibrant and exciting music programs planned across the school this year. Working with Ms Young again on Mondays and Tuesdays, is Ms Hiromi, an accomplished musician assisting to deliver a quality music education to the students of Wiley Park Public School. There will be several musical ensembles running this year including:

- Beginner Recorder Group
- Intermediate Recorder Group
- School Rock Band
- Choir
- Ukelele Group (new)

These groups will work on a more complex repertoire. If your child would like to further explore musical notation and start to learn to sight read music, the recorder groups are a good place to start. Band is a space to trial new instruments and develop higher order listening and playing skills and fosters working with others.

Kindergarten, Year 1 & 2 will be participating in the 'Jam on Toast' Music Program this semester. 'Jam on Toast' is an exciting music program put together by James Madsen a music educator, composer, conductor and performer. To conclude the program James Madsen (known to the students as Jamie) will be coming to Wiley Park Public School to Perform on Friday 13 June in Week 7.

Year 3, 4 & 5 will engage in a keyboard program this term. They will explore notes on the keyboard and relate them to notes on the stave as well as play some familiar simple tunes, increasing in complexity.

Hold onto your seats because Year 6 will showcase their musical talent from their time at WPPS by performing 'El Matador' as a samba bateria on drums and percussion at the Harmony Day Assembly in Week 8, on Tuesday 18 March. This will be a performance not to miss.

# SCHOOL PHOTOS

School Photo Day is coming up on Wednesday 5 March 2025.

Please ensure that payments are returned to classroom teachers by Tuesday 4 March 2025.

Students **MUST be dressed in FULL SCHOOL UNIFORM** on the day.

All students must also wear plain black leather or vinyl enclosed shoes.

Thanks, Mr Thomson

## SCRIPTURE CLASSES

# Scripture

#### Commences Wednesday 12 March 2025

Dear Parents,

Parents/caregivers in public schools have the opportunity to have their children receive instruction in their preferred religion, where authorised teachers of that religion are available.

Due to a shortage of Islamic Scripture teachers, Islamic religious education will only be provided to students in Year 5 & 6 in Term 1. Christian and Catholic Scripture will be provided to students in Years 3 to 6 during this time. Scripture for other grades will follow later in the year.

> Thanks, Mr Thomson (Scripture Coordinator),

# SCHOOL COUNSELLOR

Hello, my name is Helen Arfanis, and I am the School Counsellor at the school. My goal is to help children achieve their full potential by collaborating with them to support the best possible outcomes.

#### What is a School Counsellor?

A school counsellor helps students with their academic, social, and emotional development. For example, if your child has personal challenges with making friends the school counsellor can guide and support them to handle these challenges better. The school counsellor also works with families of children with specific needs to find the right support.

#### What Does a School Counsellor Do?

- Discuss with students about their concerns.
- Help them understand their challenges and work together to set goals and plan actions.
- Refer students to other mental health services if needed.

- Work with the Learning and Support Team at the school to identify and organise assistance for students with specific needs.

If you have any concerns about your child and would like them to meet with the school counsellor, please call the school and ask to speak with me.

# **1S CLASS IN FOCUS**

It has been a great start of wonderful learning in 1S. Students have been learning through a variety of literacy and numeracy activities. 1S have been enjoying story time and reading lots of new books.

# **PLAYGROUND FUN**

It's always fun at lunchtime when Mrs Jocelyne brings out her trolley of activities.

### **STEAM AT KNHS**

A few year 5 students were chosen to participate in the Kingsgrove North High School STEAM program. These students were chosen for their excellent behaviour choices in school and displaying school morals and values. Students worked with one of Kingsgrove North's Science teacher, Mr Celenk and participated in engaging lessons using a variety of technology to enhance their skills. Programs such as Microsoft Arcade for coding games, Tinkercad for designing and creating 3D objects, Ozobots for more coding and using drones. These year 5 silver students had a wonderful and memorable time. Thank you to the Prinicpal and Mr Celenk of Kingsgrove North High School for the amazing opportunity. Mr Dilgee/Mr Forman
