Term 2 – Week 4

Thursday 19 May 2022

## Principal's Report

This week we welcome two new staff to our school. Ms Tanios who takes up the permanent position as an Assistant Principal and Ms O'Brien who will be working at our school on Tuesdays in a newly created position, The Wellbeing and Health In-Reach Nurse (WHIN). We are very fortunate to have the WHIN position in our school. Ms O'Brien is employed by the Local Health District (LDH) to work in schools and is a direct link to local health and community services. The role supports schools by identifying health, wellbeing and social needs of students and their families, assessing opportunities for early intervention, and coordinating referrals to services.

As you are aware there are still active COVID cases in our community and we are continuing to limit community members, visitors and guests coming into the school.

This term we will be holding our annual Multicultural Family Day celebration on Thursday 30 June. This event will be videoed and uploaded to our school website so our school community can watch the event at home.

Unfortunately, due to insufficient students wanting to go to our school camp this year we have had to cancel the Stage 3 Camp for 2022.
