## Principal's Report

This week is School Administrative and Support Staff Recognition Week.

The recognition includes all office staff, the School Learning Support Officers, and the General Assistant.

These staff members are valuable members of the team at Wiley Park PS, without their hard work and knowledge our school would not function to the high standard of administration, education, communication, and school environment we provide.

I want to thank these amazing people and the roles they fulfil and remind everyone of the importance they play in Public Education.

Rene Demos  
Principal

## Parent information

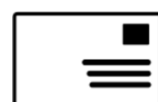

Have you changed your address or contact numbers recently? Have you notified the school?

It is important that the school has up to date details in the event that your child becomes ill at school. Children often become distressed when we are unable to contact their parents.

We ask that all parents advise the school of any changes as soon as they happen. This will enable us to check that all information that we have is current for all families in our school.

Also, if your child is sick and needs to stay home from school, please remember to notify the school on the day they are away. You can :

- make a call to the office on 9750 0144;
- send an email to : [wileypark-p.school@det.nsw.edu.au](mailto:wileypark-p.school@det.nsw.edu.au)
- or alternatively, send a note with your child on the day they return. If they are sick for 3 or more days, a doctor's certificate is required for their absence.
