BE A PROBLEM SOLVER

BE A LEARNER

Term 3 – Week 10

Thursday 21 September 2023

## Principal's Report

Tomorrow is the end of another highly successful term.

Congratulations to our students and staff who worked together to maintain the high standards at our school.

Today our students on Bronze, Silver and Gold enjoyed a fun filled day of activities for their term 3 Acknowledgement Day.

These days are school funded to congratulate those students who follow the school rules and have a good work ethic.

The school subsidises or pays for numerous events and programs in the school, our students are extremely fortunate to have the opportunity to participate in many educational programs because we assist with funding which makes these activities more affordable for our families.

I wish everyone a relaxing holiday and remind you all that students return to school on Monday 9 October.

Mrs Demos

Principal

## HEALTHY EATING – SCHOOL LUNCHES

- Healthy lunches and snacks help children concentrate and play throughout the day.
- Encourage your child to be involved in their own lunch preparation and discuss choices with them.
- Try to include a variety of foods from each of the 5 food groups.
- If making lunches ahead of time, keep them in the fridge until leaving for school or freeze in advance.

## Enrolments are now open for Kindergarten 2024.

If your child is turning 5 Before 31 July 2024, they are now eligible to enrol for kindergarten 2024.

**Enrolment Process:** You and your child will be invited to an interview as part of the enrolment process. This interview will allow the school to support you and your child to provide the best possible transition to starting school.

Please contact the school for further information on 9750 0144.

## LOST PROPERTY

There continues to be an **ENORMOUS** amount of lost property across the school including brand new jackets and hats.

These are expensive items of school uniform that need to be looked after.

**During the holiday break, please ensure that all jackets and hats are clearly labelled with your child's name.**

## Parent information

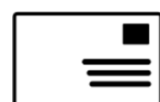

Have you changed your address or contact numbers recently? Have you notified the school?

It is important that the school has up to date details in the event that your child becomes ill at school. Children often become distressed when we are unable to contact their parents.

We ask that all parents advise the school of any changes as soon as they happen. This will enable us to check that all information that we have is current for all families in our school.

Also, if your child is sick and needs to stay home from school, please remember to notify the school on the day they are away. You can :

- make a call to the office on 9750 0144;
- send an email to : [wileypark-p.school@det.nsw.edu.au](mailto:wileypark-p.school@det.nsw.edu.au)
- or alternatively, send a note with your child on the day they return. If they are sick for 3 or more days, a doctor's certificate is required for their absence.

## Some of the many benefits of sport participation for children include:

- reduced risk of obesity
- increased cardiovascular fitness
- healthy growth of bones, muscles, ligaments and tendons
- improved coordination and balance
- a greater ability to physically relax and, therefore, avoid the complications of chronic muscular tension (such as headache or back ache)
- improved sleep
- mental health benefits, such as greater confidence
- improved social skills
- improved personal skills, including cooperation and leadership.

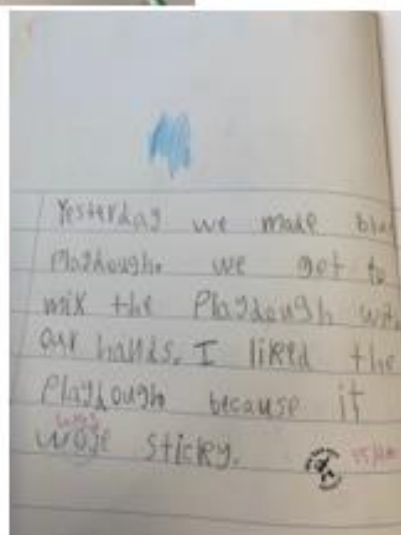

Reducing inactivity may be more effective in achieving overall increases in energy levels in young children than putting the emphasis on increasing involvement in sporting activities. Taking steps to reduce children's sedentary time is important.

# POETRY COMPETITION WINNERS

## Sydney Poetry Competition: Fantastic News!!!

Congratulations to Juveria, Skyra, Shreya and Isra, who were awarded with certificates & prizes for their achievements in the Sydney Poetry Competition, run by Sydney Local Health District. Of the 87 schools that entered, Juveria was a grand finalist and achieved 3<sup>rd</sup> place, and Skyra was a semi-finalist. Our school was also awarded with a generous donation which will be used to further support the education of our students. We are very proud of all our students at WPPS, and of the hard work and dedication that they receive each day from their teachers.

Established in 1911, Sydney Technical High School, located in Bexley and close to several major transport links, is an academically selective secondary school for gifted and high achieving boys.

Many of our proud alumni are currently leaders in their field and our strong connection with them allows for authentic networking opportunities.

Our staff are experts in delivering highly engaging and challenging curriculum for our diverse learners with strong links to the UNSW's GERRIC faculty.

The STHS Performing Ensembles music program has over one hundred student participants playing over thirty different instruments and receive mentoring and specialised tuition.

We are highly successful members of the St George Sport Association with weekly grade competition each Wednesday afternoon in disciplines such as basketball, soccer, Oztag, cricket, volleyball, table tennis and tennis. This is complemented by our recreational sport program and includes fencing, fitness, ten pin bowling and beach walking.

Our extra curricular program offers outstanding opportunities for every student to connect and thrive in our school's high expectations culture in many fields including public speaking, debating, chess, the Duke of Edinburgh Award, digital media, Latin, entrepreneurship, coding and much more.

**Our Open Morning is 9:30am on Tuesday 10 October 2023**

Students seeking entrance into Year 7 must participate in selection procedures organised by the Department of Education. For further information contact the High Performing Students Team on 1300 880 367 or email: [ssu@det.nsw.edu.au](mailto:ssu@det.nsw.edu.au)

18 September 2023

Dear Parents,

**Scripture will commence on Wednesday 11 October 2023 in Term 4.**

Parents/caregivers in public schools have the opportunity to have their children receive instruction in their preferred religion, where authorised teachers of that religion are available.

Due to a shortage of Islamic Scripture teachers, Islamic religious education will only be provided to students in Year 1 & 2 in Term 4. Christian and Catholic Scripture will be provided to students in Years 1 to 6 during this time.

Thank you.

Mr Thomson  
Scripture Coordinator

Mrs Demos  
Principal
